

Philippe FROUTÉ

Habilitated Associate Professor (HDR) in Economics
Dean, AEI International School
Université Paris-Est Créteil (UPEC), France
philippe.froute@u-pec.fr

Academic Profile

Economist specializing in Law and Economics, Public Finance, Sovereign Debt, Institutional Economics, and International Economic Transitions.

My research examines how legal structures and institutional arrangements influence economic performance, public borrowing dynamics, financial stability, and territorial development.

Recent work extends to Artificial Intelligence in economic analysis, sustainability transitions, and knowledge-based economic systems.
